### Safety data sheet according to 1907/2006/EC, Article 31

Version number 1

Revision Date 05.01.2022

### Trade name: CELVASEAL™

Date Printed 05.01.2022

	(Contd. of page 1)
Hazard statemen	its
H225 Highly flam	nmable liquid and vapour.
H315 Causes sk	
	rious eye irritation.
	of damaging the unborn child.
	e drowsiness or dizziness.
	e damage to organs through prolonged or repeated exposure.
	al if swallowed and enters airways.
<b>Precautionary st</b>	atements
P101	If medical advice is needed, have product container or label at hand.
P102	Keep out of reach of children.
P103	Read carefully and follow all instructions.
P301+P310	IF SWALLOWED: Immediately call a POISON CENTER/ doctor.
P321	Specific treatment (see on this label).
P331	Do NOT induce vomiting.
P303+P361+P353	3 IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water [or shower].
P305+P351+P338	3 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact
	lenses, if present and easy to do. Continue rinsing.
P362+P364	Take off contaminated clothing and wash it before reuse.
P405	Store locked up.
P501	Dispose of contents/container in accordance with local/regional/national
	international regulations.
2.3 Other hazard	\$
<b>Results of PBT a</b>	ind vPvB assessment

- **PBT:** Not applicable.
- · **vPvB:** Not applicable.

### **SECTION 3: Composition/information on ingredients**

#### · 3.2 Chemical characterisation: Mixtures

• **Description:** Mixture of substances listed below with nonhazardous additions.

<sup>·</sup> Dangerous components:				
CAS: 108-88-3	Toluene	10-30%		
EINECS: 203-625-9	♦ Flam. Liq. 2, H225;			
CAS: 67-63-0	propan-2-ol	5-10%		
EINECS: 200-661-7	🚸 Flam. Liq. 2, H225; 🚸 Eye Irrit. 2, H319; STOT SE 3, H336			
Additional information: For the wording of the listed hazard phrases refer to section 16.				

### **SECTION 4: First aid measures**

### · 4.1 Description of first aid measures

General information:

Immediately remove any clothing soiled by the product.

Symptoms of poisoning may even occur after several hours; therefore medical observation for at least 48 hours after the accident.

- $\cdot$  After inhalation: No adverse effects are anticipated from inhalation.
- After skin contact: Wash with water and soap and rinse thoroughly.

• After eye contact: Rinse opened eye under running water. If symptoms persist, consult a doctor.

• After swallowing: If symptoms persist consult doctor.

4.2 Most important symptoms and effects, both acute and delayed

No further relevant information available.

(Contd. on page 3)

### Safety data sheet according to 1907/2006/EC, Article 31

1 Baviaian

Date Printed 05.01.2022

Version number 1

Revision Date 05.01.2022

Trade name: CELVASEAL™

(Contd. of page 2) • **4.3 Indication of any immediate medical attention and special treatment needed** No further relevant information available.

### **SECTION 5: Firefighting measures**

- · 5.1 Extinguishing media
- · Suitable extinguishing agents: Water fog dried resin only.
- · For safety reasons unsuitable extinguishing agents: Water with full jet
- 5.2 Special hazards arising from the substance or mixture
- During heating or in case of fire poisonous gases are produced.
- 5.3 Advice for firefighters
- · Protective equipment: Positive pressure self-contained breathing apparatus.

### **SECTION 6: Accidental release measures**

- 6.1 Personal precautions, protective equipment and emergency procedures Wear gloves.
- Wear protective gloves and glasses.
- · 6.2 Environmental precautions: Do not allow to enter sewers/ surface or ground water.
- 6.3 Methods and material for containment and cleaning up:

Absorb with liquid-binding material (sand, diatomite, acid binders, universal binders, sawdust). Dispose contaminated material as waste according to item 13.

Ensure adequate ventilation. • 6.4 Reference to other sections See Section 7 for information on safe handling. See Section 8 for information on personal protection equipment.

See Section 13 for disposal information.

### **SECTION 7: Handling and storage**

• **7.1 Precautions for safe handling** Ensure good ventilation/exhaustion at the workplace. Open and handle receptacle with care. Prevent formation of aerosols.

 Information about fire - and explosion protection: The dried resin is combustible, similar to wood. Burning dry resin emits dense, black smoke. As latex, material is not combustible.
 Protect against electrostatic charges.
 Extinguishing media: Water fog - dried resin only.

· 7.2 Conditions for safe storage, including any incompatibilities

- · Storage:
- Requirements to be met by storerooms and receptacles: Store in a cool location.
- · Information about storage in one common storage facility: Not required.
- · Further information about storage conditions:
- Keep container tightly sealed.

Store in cool, dry conditions in well sealed receptacles.

· 7.3 Specific end use(s) No further relevant information available.

### **SECTION 8: Exposure controls/personal protection**

· 8.1 Control parameters

• Additional information about design of technical facilities: No further data; see item 7. (Contd. on page 4)
